Prevent cross infections.

NAPKIN HOLDERS

DISPENSERS

Napkin Holders

The low-germ way to fasten napkins!

- self adhesive
- elastic fiber
- for single use
- 250 pcs. per package

The Napkin Holders are a low-germ alternative to reusable bib holders. They are easy to handle and provide a comfortable fit on the patient's neck. Self adhesive ends allow for easy fastening of all kind of napkins.
